The Employer will inform the Unions as to the projected scope of the contract, information pertaining to the Employer's intended supervisory staff and other relevant information including intended work assignments. Notification of the pre-job conference and hard copy documents to be presented shall be given to the Saskatchewan Provincial Building & Construction Trades Council and the office of the President of the Building Trades Department AFL-CIO with a minimum of fifteen (15) calendar days prior to the date set for the conference. The pre-job and equipment mark-up in all cases shall be held at least ten (10) calendar days before the work commences. The time limits set forth herein may be varied to suit unusual circumstances after consultation between the Employer and the Building Trades Council.

The Employer will arrange to have available for meetings general descriptions of the work to be performed, equipment lists defining whether the equipment will be received broken down into component parts or as a complete package, drawings and any other relevant information which will assist the Unions in understanding their individual jurisdictional roles. The Employer who will be installing process equipment may have a process engineer attend the mark-up portion of the meeting to explain the function of the equipment to be installed.

Before the close of the meeting, the Employer will read over the items in dispute. The Employer will then request that documentary evidence supporting the disputing Unions' claims be forwarded to him within a period of seven (7) calendar days. The Employer will make and circulate to the disputing trades final assignments, based on the evidence provided within a further three (3) calendar days or as may otherwise be agreed at the mark-up. All such assignments shall be made in accordance with the procedural rules of the National Joint Board.

The Employer(s) recognizes the jurisdictional claims of Union(s) as set forth in the Charter Grants issued by the AFL-CIO subject to Trade Agreements and final decisions of the AFL-CIO as well as the decisions rendered by the Canadian Jurisdictional Disputes Plan.

It is incumbent on all Employers to assign work in accordance with the Employers' responsibility set forth in the procedural rules and regulations of the Canadian Jurisdictional Disputes Plan or its successor.

In the event a jurisdictional dispute arises, the representative(s) of the Union(s) shall first seek resolution of the dispute at the project level. In the event no resolution is found at the project level, the respective International Union(s) shall follow the procedures of the Canadian Jurisdictional Disputes Plan.

A mark-up conference for small projects may be conducted by facsimile when mutually agreed with the Saskatchewan Provincial Building and Construction Trades Council.

ARTICLE 17:00 JURISDICTIONAL ASSIGNMENT PLAN

It is agreed that the Apprenticeship Trust Funds shall be priority reasons to convene.

ARTICLE 19:00 TRUST FUNDS

19:01

Where an Employee performs work that would require the Employer to contribute hourly contributions to each of the Trust Funds in the amounts specified in this Collective Agreement, then the Employer shall keep, and shall be deemed to have kept, such amounts separate and apart from his own monies and shall be deemed to hold the sums so deducted in trust on behalf of Employees until the Employer has paid such monies to the applicable Trust Fund. Further, in the event of any liquidation, assignment, or bankruptcy of such an Employer, an amount equal to the amount that is owed to the applicable Trust Fund by the Employer on whose behalf Employees have performed work entitling them to receive contributions to the applicable Fund as is herein before provided for, is deemed to be held in Trust for the Trustees of that Trust Fund and such funds shall be deemed to be separate from, and form no part of, the estate in liquidation, assignment, or bankruptcy, whether or not that amount has in fact been kept separate and apart from the Employer's own money or from the assets of the estate.

The Joint Board of Trustees are hereby empowered and authorized to do all things necessary for the administration of the Funds, including entering into or amending the necessary Trust Agreements on behalf of the Employers and the Union.

Each Employer shall furnish a statement of the number of Millwright Employees covered by the Collective Agreement and the hours worked by such Employees. Such statement and contributions to be submitted by the 15th day of the month following the month for which such contributions are payable. For the Apprenticeship Fund and the Trade Enhancement Fund such statement and contributions to be mailed to the Millwrights Union Local 1021.

For the Health & Welfare Trust Fund and the Group Registered Savings Plan (GRSP) Trust Fund, such statement and contributions to be mailed to Funds Administrative Service Inc., 9th Floor, 9707-110 Street, Edmonton, Alberta, T5K 3T4.

If any Employer shall fail to remit payments required to be made pursuant to the terms of this Article as determined by the Trustees of a Trust Fund, and if such default continues for ten calendar days after the amounts payable are due, the Employer shall pay to the applicable Trust Fund, as liquidated damages (in respect to increased administration costs, the costs of monitoring and enforcing payment, and other costs) and not as a penalty, an amount equal to 10% of the amount which the Employer has failed to remit. The failure by an Employer to make payments due in each month shall constitute a separate event and of default and shall subject the Employer to payment of liquidated damages as outlined above, provided that, in calculating the amount of liquidated damages payable the amounts due in respect to a preceding period where liquidated damages have been calculated shall not be included in calculating further liquidated damages. However, interest calculated at a rate of 2% per month shall accrue and be paid by the Employer on any unpaid arrears, including liquidated damages, calculated from the original due date until the date of payment.

Therefore, the Union requests the Employer not to deduct Income Tax from these contributions. By definition of Taxable Benefits, CPP & UIC premiums are to be deducted as per payroll deduction tables and submitted to the Receiver General of Canada along with other deductions. 2. An Employer wishing to obtain agreement for an enabled project shall complete the Enabling Clause Information Sheet and forward it to the Local Union.
3. In the event that the Local Union is prepared to amend or delete any of the terms or conditions in this Collective Agreement it shall, under the signature of the Local Union Business Representative or his designate, complete the Enabling Clause Information Sheet by certifying those terms or conditions which are to be amended or deleted and, in the case of an amendment, particulars of the amendment.
4. The Local Union shall, at the time when the Enabling Clause Information Sheet is signed by the Local Union and is returned to the Employer, advise CLR Construction Labour Relations Association of Saskatchewan Inc. that it has agreed to an enabled project. The Local Union agrees, subject to the terms of this Appendix, to offer the same terms and conditions to other Employers bidding on the enabled project.
5. The Employer shall, upon receipt of the Enabling Clause Information Sheet signed by the Local Union, be entitled to bid on the enabled project using the terms contained in the Enabling Clause Information Sheet. Except as specifically modified in the Enabling Clause Information Sheet, the Employer shall be governed by the terms and conditions of this Collective Agreement.
6. The parties specifically acknowledge and agree that the issuance of an Enabling Clause Information Sheet shall be at the sole discretion of the Local Union. The parties further acknowledge and agree as follows:
 - (a) the terms and conditions granted in respect to an enabled project apply only to Employers, whether contractors, subcontractors or otherwise, who are parties to this Collective Agreement.
 - (b) where an Employer subcontracts work to a party who is not a party to this Collective Agreement, the Enabling Clause Information Sheet signed by the Local Union shall be of no effect and the Employer shall not be entitled to rely upon any of the terms and conditions set out in the Enabling Clause Information Sheet but shall be subject to the terms and conditions of this Collective Agreement.
 - (c) where an Employer is, in the opinion of the Local Union, in any way, associated or affiliated with, or the directors, officers or employees of an Employer carry on the same or a similar business through, an entity that is not a party to this Collective Agreement (such an entity being hereafter referred to as a "related organization"), that Employer shall not be eligible to obtain or rely upon an Enabling Clause Information Sheet under this Appendix nor shall such Employer be entitled to any information on the terms of an Enabling Clause Information Sheet issued to any other Employer under this Appendix unless the Employer provides assurances, satisfactory to the Local Union, that the enabled project will only be bid by it and not by any related organization.
7. The terms of an Enabling Clause Information Sheet shall continue for the duration of the enabled project notwithstanding that this Collective Agreement may expire prior to the completion of the project.
8. The exercise by the Local Union of any discretion under this Appendix shall not be subject to any grievance or arbitration procedure.
