For work in the Saskatoon area, subsistence shall be paid by mutual agreement between the Employer and the Union.

It remains the Employer's prerogative to determine if daily board expense will be paid or whether a camp will be established.

No board expense refund will be paid to men who are hired on the job.

In or near cities and towns where the Employees have a choice of board accommodations, they will make their own arrangements as to room and board.

Iron workers residing within fifty (50) road kilometres from the Saskatoon City Hall will be given preference for employment on projects in this zone.

- (b) In all instances the subsistence allowance shall be one hundred and ten dollars (\$110.00) per calendar day worked, effective June 17, 2007.

- (c) An Employee shall forfeit subsistence allowance for absenteeism or leaving work without written permission on any working day. When the Employee is absent or leaves work without written permission on the working day immediately preceding or following bad weather days or recognized holidays, he shall forfeit subsistence allowance for such absenteeism or leaving work without written permission and for the bad weather days or recognized holidays.

The above forfeiture of subsistence allowance shall be waived when the Employee's absenteeism on any working day is due to a bona fide illness or absence due to compassionate grounds satisfactory to the Employer and the Union Representative. Forfeiture of subsistence allowance may also be waived in other cases if the reason for absenteeism is acceptable to the Employer and the Union Representative.

Written permission to leave work shall be in the form of the Leave of Absence Request form attached as Appendix "B" to this agreement. When a request is approved, the Employer shall send a copy of the completed form by facsimile to the Union.

ARTICLE 17:00 IRON WORKERS TRUST FUNDS

17:01

- (a) Where an Employee performs work that would require the Employer to contribute hourly contributions to each of the Trust Funds in the amounts specified in this Collective Agreement, then the Employer shall keep, and shall be deemed to have kept, such amounts separate and apart from his own monies and shall be deemed to hold the sums so deducted in trust on behalf of Employees until the Employer has paid such monies to the applicable Trust Fund. Further, in the event of any liquidation, assignment, or bankruptcy of such an Employer, an amount equal to the amount that is owed to the applicable Trust Fund by the Employer on whose behalf Employees have performed work entitling them to receive contributions to the applicable Fund as is herein before provided for, is deemed to be held in Trust for the Trustees of that Trust Fund and such funds shall be deemed to be separate from, and form no part of, the estate in liquidation, assignment, or bankruptcy, whether or not that amount has in fact been kept separate and apart from the Employer's own money or from the assets of the estate.

The Employer authorizes the Parties to such Trust Agreements to appoint trustees and successor trustees to administer the Trust Funds and hereby ratifies and accepts the trustees so appointed as if made by the Employer.

The Parties agree to a Committee of Trustees composed of two (2) representatives of the Union and two (2) representatives of the Employer to negotiate and administer these Plans. Two voting members from each side will vote on any decision affecting the Plans.

Contributions will be submitted by the 15th day of the month following the month in which the hours were earned and mailed to the address designated by the Fund Trustees, and at no time will the contributions be paid directly to the Employee."

NOTE: The contribution rates to each of the Funds will be determined by the Union and cannot exceed the Total Package amounts agreed to in this agreement.

- (b) If any Employer shall fail to remit payments required to be made pursuant to the terms of this Article as determined by the Trustees of a Trust Fund, and if such default continues for ten calendar days after the amounts payable are due, the Employer shall pay to the applicable Trust Fund, as liquidated damages (in respect to increased administration costs, the costs of monitoring and enforcing payment, and other costs) and not as a penalty, an amount equal to 10% of the amount which the Employer has failed to remit. The failure by an Employer to make payments due in each month shall constitute a separate event and of default and shall subject the Employer to payment of liquidated damages as outlined above, provided that, in calculating the amount of liquidated damages payable the amounts due in respect to a preceding period where liquidated damages have been calculated shall not be included in calculating further liquidated damages. However, interest calculated at a rate of 2% per month shall accrue and be paid by the Employer on any unpaid arrears, including liquidated damages, calculated from the original due date until the date of payment.

20:05 In the event of a failure on the part of any Employer to contribute the funds as required in this Article, the SPB & CTC, the Union or CLR may collect the dues as a debt payable by application to the Labour Relations Board and/or by other civil action, or may collect the dues by way of a grievance filed, notwithstanding any other provision in this Collective Agreement, by either the SPB & CTC, the Union or CLR in its own name against the subject Employer. Such a grievance may be referred by the SPB & CTC, the Union or CLR to arbitration without being processed through any intervening steps other than written notice of the grievance and the reference of the grievance to arbitration. The parties to the grievance for the purposes of appointment of the Arbitrator shall be the SPB & CTC, the Union or CLR and the subject Employer. The unsuccessful party shall pay the costs of the Arbitrator.
