RE: Core Crew Establishment and Reassignment of Work

The Parties agree that, notwithstanding the provisions of any Collective Agreement between a Unionized Employer in the Insulators Trade Division and the International Association of Heat and Frost Insulators and Asbestos Workers Local 119, a Unionized Employer in the Trade Division may elect to establish a Core Crew of Employees who are Journeymen members of Local 119 in good standing. Appointment of Employees to an Employer's Core Crew is based on the following:

- (i) The Employer may appoint up to a maximum of five (5) Employees to be members of the Core Crew.
- (ii) Following the initial establishment of the Core Crew, the size of the Core Crew may vary (to maximum of five (5) Employees). Also, the use of a Core Crew may be discontinued by the Employer at any time.
- (iii) At the time of appointment to the Core Crew an Employee must be an Employee of the Employer and must have been employed by the Employer for at least a combined total of twelve (12) months in the last thirty (30) months.

- (iv) The Union will be advised in writing of the initial appointments to establish the Core Crew.
- (v) After the initial establishment of the Core Crew the Union will be advised in writing of any new appointments or other changes in the make-up of the Core Crew.

(b) Work Reassignments of Core Crew Members

Core Crew Employees will be considered name hires but may be reassigned to and from work on different or new projects covered by all Collective Agreements between the Employer and Local 119 on an unrestricted basis, regardless of the hiring provisions in the Collective Agreements.

(c) Reassignments of Non Core Crew Employees

Non Core Crew Employees reassigned by the Employer to work on different or new projects shall be considered name hires and will be subject to the name hire provisions of the applicable Collective Agreement.

However, without restriction, Employees temporarily reassigned to a different or new project for less than fourteen (14) calendar days will be allowed to return to work on the project they worked on immediately prior to their reassignment providing such work is available.
